

Tips for Getting Ready for Moving Day!

To make moving day simple and easy, organisation is the key!!!! From the minute you decide to move start making a list of everything that has to be done, this always helps and is always a guide to refer back to. It also helps with meeting your deadlines and being more read for moving day.

Upon confirmation of your move date!

- Book in your move date with Premier Movers Limited.
- Book any storage that you may need.
- Set up mail forwarding or make a list of all the companies to contact with your new details e.g. electricity provider, telephone, internet, sky, insurance providers, banks, school etc.

Before the move!

- Start to pack your belongings that you won't need, select sturdy boxes and identify each box placing them in a designated area ready for the guys.
- If you want to pack fewer things sort through your belongings to ensure that any unwanted items are not packed, you may wish to dispose of or recycle your unwanted items.
- Start to dismantle any outdoor furniture or children's play areas.
- Check the garage and storage areas to determine what needs to be packed.

A few days beforehand!

- Prepare a box to put in your car with any essential items that you may need on move day.
- Unplug all non-essential devices or appliances and tape the electrical cords to their sides.
- Complete any repairs or cleaning that you have agreed to.

On the day!

- Be up and ready to go, show the guys where all boxes etc. have been stored to start your move, making sure that the box of essential items is placed in your car.
- Pack any last minute items.
- Confirm your new address with the guys.
- Your fridge is the last to go on the truck, so when ready prepare, unplug and tape the cord to the side.
- Your guys are very approachable, feel free to ask any questions.
- The more prepared that you are the quicker the move is.

It is hard to think of everything ahead of time but good organisation will help you avoid the worst case scenarios.

Good luck with your move.
